

Accession number: 1992-24/39c/i

Description: Eight small scraps of paper, seemingly torn from the bottom of letters. Two may be part of the inventory of the Garrick's estate, others read more like laundry lists. Two of the latter are dated 1829 and one 1830.

See 1992-24/39c/k which is an inventory of glasses and decanters, written on a torn up letter, and dated 9 August 1783
