Letter: My dear Sir,
I inclose the List of Articles in possession of Messrs Robins.

I think you will do well to make out a List of the other doubtful Articles. Perhaps, two or three of those set apart for the Garricks & Mad^{me} de Saar may hereafter be to be added. But of this we can judge, when M^r Dowdeswell's Opinion of those, which you are about to submit to him, shall have been obtained.

Yours faithfully

G. F. Beltz
